Leviticus 6:12 (TLB)

```
D               G      D               A
The fire on the altar must be kept burning
                         G
the priest shall put on fresh wood each morning
     D             A               D
and lay the daily burnt offering on it
    A                     D
It must not go out - it must not go out
    A                         D   A  D
It must not go out - it must not go out

                    G                        D               A
My desire in everything that I do - is to live my life for Jesus
   D                    G                    D           A             D
an illustration of what this will take - is found in the book of Leviticus
A                             D
Chapter Six, Verse 12 - Fresh wood is needed every morning
A                              D    A       D
Chapter Six, Verse 12 - or the fire will go out,
A                         D
Chapter Six, Verse 12 - Quite a sober warning
A                              D    A       D
Chapter Six, Verse 12 - or the fire will go out

D               G      D               A
The fire on the altar must be kept burning
                         G
the priest shall put on fresh wood each morning
     D             A               D
and lay the daily burnt offering on it
    A                     D
It must not go out - it must not go out
    A                         D   A  D
It must not go out - it must not go out
    A                     D
It must not go out - it must not go out
    A                         D   A  D
It must not go out - it must not go out  (fade out)
