

Proverbs 3:13 (KJV)

Happy is the man that findeth wisdom,
And the man that getteth understanding.
Happy is the man that findeth wisdom,
And the man that getteth understanding.

I'd rather have wisdom than riches untold.
Then to live in this world and to lose my soul
Proverbs 3, 13 tells me
Wisdom is better than the world's money.

Happy is the man that findeth wisdom,
And the man that getteth understanding.
Happy is the man that findeth wisdom,
And the man that getteth understanding.

Happy is the man that findeth wisdom,
And the man that getteth understanding.
Happy is the man that findeth wisdom,
And the man that getteth understanding.
